

RAYL CHARITABLE ORGANIZATION'S 6th ANNUAL HALLOWIN 5K RACE & 1 MILE FUN RUN

Dear Friends of Rayl Charitable Organization (RCO):

We are excited to announce our 6th annual **HalloWin 5K Race & 1 Mile Fun Run** will be held on October 19, 2024. This special community event has over 600 participants, thrilling competition, prizes, costumes, candy, and endless fun.

Net proceeds of HalloWin benefit **The Debbie Rayl Kindness for Kids Program**. This program reimburses schoolteachers and counselors for out-of-pocket expenses for children in need. With over \$53K reimbursed since inception, RCO continues to expand and will now operate in four school districts (Green Local, Manchester Local, North Canton City, and Barberton City). Please help us fully fund this program another year. For more information, visit our website www.raylcharities.com.

Rayl Charitable Organization is a nonprofit 501(c)(3) established in 2018 to honor the life of **Jeremy Rayl**. RCO's goal is to continue Jeremy's passion for giving back and for supporting the community he loved so much. He believed that we all have a responsibility to help the less fortunate, not with a handout but with a hand up.

TESTIMONIALS

“

I want to express my heartfelt gratitude to Kindness for Kids. This program and Jen Robinson extended incredible support to a student this year. Your generosity in providing clothes, shoes, hygiene essentials, pillows and other necessities during this family's challenging time made a significant difference. The student was having a difficult time emotionally with the loss of a parent and adjusting to changes in the family dynamic including socioeconomic status. The family takes pride in not asking for help. In a moment of true hardship, the student accepted an offer for Kindness for Kids to support his family. The student's appreciation was obvious by the look on his face when he was provided a brand new pair of shoes that he immediately put on. He repeatedly thanked me for each and every item. The material goods made a difference. The kindness and compassion touched this student and knowing people care brought him comfort.

The contributions of the Rayl Foundation had a positive impact on the students of MHS. Several staff members took advantage of the opportunity to provide shoes, hoodies, and other items to students in need. In one specific case, a family was trying to make the decision between purchasing a pair of new tennis shoes or wrestling shoes because they couldn't afford both. We are grateful for the partnership with Rayl that afforded that family the possibility of both. We hope to have the continued support of the Rayl Foundation for years to come.
