

## RAYL CHARITABLE ORGANIZATION'S 5<sup>th</sup> ANNUAL HALLOWIN 5K RACE & 1 MILE FUN RUN

Dear Friends of the Rayl Charitable Organization (RCO):

We are excited to announce our 5<sup>th</sup> annual **HalloWin 5K Race & 1 Mile Fun Run** will be held on October 21, 2023. This special community event has over 500 participants, thrilling competition, prizes, costumes, candy, and endless fun.

Net proceeds of HalloWin benefit **The Debbie Rayl Kindness for Kids Program**. This program reimburses schoolteachers and counselors for out-of-pocket expenses for children in need. To increase the number of children we can impact, RCO is expanding beyond Green Local Schools and will include Manchester Local Schools, and the Barberton Intermediate School for the 2023-2024 school year. Please help us fully fund this program another year. For more information, visit our website [www.raylcharities.com](http://www.raylcharities.com).

Rayl Charitable Organization is a nonprofit 501(c)(3) established in 2018 to honor the life of **Jeremy Rayl**. RCO's goal is to continue Jeremy's passion for giving back and for supporting the community he loved so much. He believed that we all have a responsibility to help the less fortunate, not with a handout but with a hand up.

Thank you for your consideration to support RCO's HalloWin Race. For full sponsor benefits and recognition, sponsor commitments must be received by September 15, 2023. All checks should be made payable to Rayl Charitable Organization and mailed to P.O. Box 635, Green, OH 44232.

## TESTIMONIALS

“

Kindness for Kids has made a huge impact at GMS. As a school counselor, I am able to have more personal conversations with students and find out how the school can help them focus more on their learning and less about the worries of the world. Being in middle school is hard enough, but being in middle school and worrying about basic needs can make it even harder. This is the age where hygiene and appearance means a lot to kids, and if we can help provide clothing, and personal hygiene items to take that worry off of their plate we try to take advantage. This year we were able to help multiple students by purchasing clothing items and shoes, which to a teenager makes a world of difference; it makes them feel confident.

Katie Bowman, Middle School Counselor

This is my second year using The Kindness for Kids Program. It is a great feeling when I take my class to the book fair and I am able to purchase books for those few students who don't have the money to shop. It also warms my heart when I am able to purchase coats for students when the weather turns cold and they are without one. Thank you, Beth Rayl and The Kindness for Kids Program for helping kids in need.
